

Lot 1a: Thanks for Visiting! This Auction will Start to Close at 7pm on Monday

Thanks for checking out our auction! Please be sure to check out our Terms & Conditions to help answer any questions regarding fees, shipping & handling, billing, payment, payment methods, and all that good stuff. Please note that the Tuesday morning after this auction closes, we will send invoices to winning bidders. Phones will open at 9:30am to answer questions and all that good stuff. You can also email us at [info@rtauctions.ca](mailto:info@rtauctions.ca) and we can answer questions that way as well. Please note that we no longer accept credit card payments over the phone. You will have until the Friday of this week to pay for your auction winnings - should payment not be received by the first Friday after this auction closes, all auction winnings will be relisted. All invoices will have been sent out by 11am EST on Monday, so if you've not received yours by then, please check your email account's spam/junk folder. If your invoice is still nowhere to be found, please contact us via phone or text (1-833-782-7653) and we'll send a different version your way. Pickups will be available NO SOONER than 12pm (noon) on Monday, the day after the auction closes. If you arrive earlier than noon, you can pay for your invoice in person, however you will not be able to pick up your order until after noon. Please remember that online auction winnings (unless otherwise noted in their lot description) are to be picked up from our second location at: 6934 Kinsmen Court Unit E-2, Niagara Falls. Turn in where you see "For the Needy Not the Greedy" and drive along the left-hand side (same side as "DeVroomen Bulbs"). We're at the very end of the building. We have a bright red door, and a large white bay/loading door. For lots whose descriptions mention being available from Victoria ave, please call us for an appointment, as Victoria Avenue is open by appointment only. We'll see you then!

Lot 1b: Pickups Start at Noon (12pm) on Monday. Please no Early-Birds!

While we do understand wanting to "beat the rush", pickups for this auction will be available NO EARLIER THAN 12pm (noon) on MONDAY (except for items which state in their descriptions that they'll be for pickup from Victoria. Those will start to be available for pickup after Tuesday at 9am) If you want to swing by to pay for your order before noon, that's perfectly OK, but you will need to wait until after noon (12pm) before you can your items up. It honestly does not matter if your order is 1 item or 100 items, pickups will not be available any earlier than noon the day after the auctions close. The rest of the week, pickups can be done as early as 9:30am - it's just the day after the auction closes that we need the time to get lots and orders together. Thank you for your understanding.

Lot 1c: Items Are in Good Preowned Condition Unless Otherwise Noted

Unless otherwise noted in a lot's title or description, please rest assured that items in a lot are all in good preowned condition. We'll absolutely mention when something is new (or new old stock), and we will list any flaws or added information in the lot's description. Should you have any questions about a lot, or an item in a lot, please reach out to us at [info@rtauctions.ca](mailto:info@rtauctions.ca) and we'll gladly help out.

Lot 1d: Listed Measurements and Dimensions are Approximate

Please note that the measurements we take are exact, however they are exact to the particular tape measure that the lister is using at the time. Since tape measures and the like can vary, please understand that all listed dimensions and measurements are considered to be approximate. We understand that sometimes being exact is important, so should you ever need to double-check the dimensions

of an item in a lot, please feel free to visit our Kinsmen Court location during business hours with your measuring device of choice.

Lot 1e: Not Local? Need Shipping? No Problem!

So long as Canada Post is able to ship something, we are able to ship it to you! Unsure if something can be shipped? Please feel free to contact us to check (1 833 782 7653 or [info@rtauctions.ca](mailto:info@rtauctions.ca)). For shipping, THE FIRST THING YOU MUST DO is pay your original invoice in full, and if possible, mention in your notes (or let us know) that you'll need shipping. Please note that the first invoice we send out the day after this auction closes does NOT include either shipping or handling charges. NOTE: We only package up orders, weigh and measure them AFTER they are paid. We cannot provide shipping estimates or shipping invoices until that first invoice is paid for in full. Once paid, we'll wrap, package, weigh and measure your order and then send you a separate shipping quote, and then an invoice for the shipping charges and handling fees. Our Handling Fees are listed in our Terms and Conditions, and the actual shipping charges will vary depending on Canada Post's rates for your packages' dimensions and weight(s). Once that separate shipping invoice is paid, then we'll get your package(s) out to you. We ship multiple times a week, and you'll receive tracking information via email (Please make sure you check your spam/junk folders - Tracking emails are known to be caught by those filters and marked incorrectly as Spam).
